DogGone Gorgeous will endeavor to create as safe an environment as possible for the daycare and boarding care of the dog(s) identified above (the "Dog"), and will offer only sound, safe, and responsible care. Owner agrees, however, that all animals may exhibit unpredictable behaviors and that DogGone Gorgeous will not be liable for the actions of the Dog that are outside of the control of DogGone Gorgeous. DogGone Gorgeous agrees to indemnify and hold Owner harmless from and against any claims of injury, expense, costs, loss or damages caused by the gross negligence or willful misconduct of DogGone Gorgeous while the Dog is in the sole custody, care and control of DogGone Gorgeous. Owner acknowledges that DogGone Gorgeous has no control over the Dog when the Dog is not in the exclusive custody, care and control of DogGone Gorgeous, and Owner agrees to indemnify and hold DogGone Gorgeous harmless from and against any and all claims of injury, expense, costs, loss or damages caused by the actions of the Dog when the Dog is not the sole custody, care and control of DogGone Gorgeous. As Owner, you acknowledge and understand that there are certain risks involved in pet daycare, boarding, grooming and training. You release, indemnify, and agree to hold DogGone Gorgeous harmless from any and all manner of damages, claims, loss, liabilities, costs or expenses, causes of actions or suits, whatsoever in law or equity, (including, without limitation, attorney's fees and related costs) arising out of or related to the services provided by DogGone Gorgeous. Owner acknowledges and agrees that owning any animal, including the Dog, has inherent risks, including but not limited to the risk of dog bites to Owner. Your dog spends a good amount of time in the outside world doing lots of things around lots of natural objects, dirt, grass, cement, trees, fencing, bushes, swimming, interacting with lots of other dogs, and humans. It is likely that your dog is going to get scratched, bumped, or bruised. Your dog will most likely get some wear and tear on him/her. Things are bound to happen even though we have taken special care in designing our facility and maintaining a high standard of safety and cleanliness.

Training: Owner fully understands the use of tools and techniques are used to train, groom, socialize and modify the dog's behavior and agrees to the tools and techniques which include Prong Collar, Bark Collar, Remote Training Collar, Slip Lead, Pet Convincer, Dressage Whips, Bonker, Muzzles, Flat Buckle collar, Martingale collar.

Grooming: DogGone Gorgeous wants your pet's grooming experience to be a stress-free and pleasant adventure. However, it is important to realize that all dogs react differently to grooming. If your pet does not respond well there may be an extra handling fee added to your regular grooming charge. Dogs with matted coats will require extra attention. If the matting is minimal and the dog responds well we may demat for an extra fee. However, if the matting is severe the least painful and stressful way to remove the mats is by shaving the dog. There is a greater risk of nicking or scratching a matted dog during the grooming process. In addition, the skin may appear red, itchy and irritated due to the lack of oxygen reaching in and under the mats. DogGone Gorgeous will not be held responsible for any injury sustained while grooming a matted dog, including any after effects. This includes, but is not limited to swelling, redness, itchiness and self-inflicted abrasions due to external rubbing. Every effort will be taken to make sure your pet gets groomed as safely and carefully as possible. But, unfortunately, accidents DO happen. Dogs are licking, scratching, jumping, and overall wiggly creatures. Whereas dog grooming tools, by necessity, are sharp instruments. If there is a severe mishap we will contact you immediately but will take the necessary measures to get your pet the medical attention he/she requires. DogGone Gorgeous will not be responsible for any costs related to this.
